

ONE THOUSAND AND ONE NIGHTS!

ZANZIBAR THANKS THE HEALTH SERVICE PROFESSIONALS OF THE WORLD.

The Zanzibar Association of Tourism Investors, in conjunction with the public and private sectors in Zanzibar, are happy to announce a new initiative to thank the health service professionals around the world, and to help to kick-start the tourism economy of the isles.

As soon as countries let their citizens travel safely again, over 50 hotels on the island have offered a total of **ONE THOUSAND AND ONE NIGHTS** complimentary stay to individuals and their partners who can show they have helped to ease the pandemic, working on the front-line of COVID-19 protection, in a hospital anywhere in the world.

Zanzibar is saying to these people - THANK YOU from the beautiful, exotic, tropical destination of Zanzibar.

This website links to a list of Zanzibar hotels which have all volunteered complimentary nights.

To claim some of these **ONE THOUSAND AND ONE NIGHTS** free, all interested guests will browse the list of participating hotels, select the hotel of choice, make contact by email with proof of healthcare employment, check availability, and arrange their own travel.

The terms and conditions vary from one hotel to another. Some will provide only breakfast, others lunch or dinner, and at some the taxes will have to be paid, others the hotels cover the government taxes.

As well as thanking health service professionals but giving them the opportunity to travel within a budget, it is hoped that this initiative will raise global awareness of Zanzibar as a safe and beautiful destination, assist the re-opening of many Zanzibar hotels and businesses, and help our island tourism economy to grow back again.

Due to travel restrictions, testing, tracing and treating cases, the virus is under control and the islands have reported COVID-19 free from mid June 2020.

A comprehensive Standard Operating Protocol created by the Zanzibar Commission for Tourism is in place, recommending safety procedures for the airports, taxis, shops, tours, activities and hotels.

This offer is valid from 1st December 2020 - 31st December 2021, subject to the availability of each participating hotel.
